All,

Petitions are in the (snail) mail, and we've been hard at work tracking down signatures by email. So far, we received 14 signed petitions – we're 7.36% of the way there! Not bad for Day 1.

In addition to the petitions for the properties you own/manage, and the ones you've already claimed, I'm asking that you please take another look at the attached spreadsheet. I have highlighted in red the VIP stakeholders (ie. those who pay more than \$10k) that have not yet been claimed by a board member. They make up 15% of the total assessment and it would be a huge win if we could get these signatures. Please let me know if you have any connection to these properties/owners.

Thank you for your patience as I continue to spam your inboxes - the good news is: the spam will only continue for another 6 days 😊

Full steam ahead!

Ellen
